

Dear Friends,

I'm very happy and excited to serve as the President of the Florida Career Pathways Network. In the coming months we will face many challenges and opportunities as we work for the students of Florida. I encourage you to get involved in FCPN and join us in our quest to provide a seamless transition from secondary to post-secondary education and beyond.

FCPN serves anyone that is involved in Career & Technical education, at both the secondary and post-secondary level. Whether you are an administrator, counselor, teacher, coordinator, or employer, we want you to be a part of FCPN. It takes all of us working together to help students navigate the waters of education and career.

If you want to find out more about FCPN or have questions about the organization please call me at (941) 751-8230 or email me at Kenned1K@manateeschools.net. I look forward to hearing from you.

Sincerely,

Kelli
